**Wheeler & Wilson's**  
  
A FEW reasons why they should have the preference over all others:  
1. Wheeler & Wilson's Sewing Machine is much simpler than any of the others; requiring less than half the amount of machinery.  
2. As the result of this simplicity, this machine is much less liable than the others to get out of repair.  
3. Another result of this simplicity is greater durability.  
4. Another result is less friction, and, consequently, greater ease and rapidity of motion, with less noise.  
5. And greatest of all, that it uses no Shuttle, and makes the lock stitch.  
It is the cheapest to buy the best. Buy the machine that has justly, fairly and honorably won a reputation and independence against a strong and bitter competition. For more than twenty years has the Wheeler & Wilson not only stood first and foremost, but now stands the unrivaled Sewing Machine of the enlightened civilized world. Buy the machine that has been thus tested and proved, and then you are sure to get the best. For sale on the easiest possible terms. **GEO. HUGGINS'**  
**FIRE INSURANCE AGENCY.**  
Established in Columbia, S. C., 1849.  
**Aetna Fire Insurance Company,**  
of Hartford, Conn.  
Incorporated A. D. 1819. Charter Perpetual.  
Cash capital and surplus, after paying losses at Chicago..... \$4,000,000  
Premiums received in 1870..... 3,900,000  
It is still the leading and strongest American Fire Insurance Company. This grand old corporation has stood for more than HALF A CENTURY as the towering beacon and indestructible bulwark of indemnity against FIRE. It has passed through terrible ordeals. It went through that of 1835, the great New York conflagration, in the most honorable and triumphant manner. It also acquitted itself most nobly in the more recent fire at Portland. It has just been called on to pay its losses at Chicago, which has only taken a part of its large surplus—leaving cash assets of \$4,000,000 intact. The stock of the Company now commands over \$200 per share. The par value is \$100.  
**Imperial Fire Ins. Co., of London.**  
Chartered A. D. 1803. Capital \$8,000,000 in Gold. This Company had no agency at Chicago at the time of the fire. Its loss was small. It subscribed \$5,000 for the benefit of the sufferers by the fire.  
**Phoenix Fire Ins. Co., of New York.**  
Assets \$1,500,000, after paying losses at Chicago.

**A REBELLIOUS STOMACH.**—The stomach, like the body politic, resents ill-treatment by rebellion. And when it rebels, the liver, the bowels, the nerves, the circulation, the brain, revolt likewise, and the whole system is disastrously agitated. Pacify and regulate the deranged digestive organ first, and the disturbance in its dependencies will speedily cease. The tonic, alterative, corrective and purifying properties of  
**TARRANT'S SELTZER APERIENT,**  
render it an irresistible remedy in cases of indigestion and its concomitant ailments. It is a fine stomachic, and its cathartic operation is so mild and genial that it never produces the slightest symptoms of debility.
